

Università degli Studi di Torino
Dipartimento di Informatica
Corso di Laurea e Laurea Magistrale in Informatica
Via Pessinetto 12, Torino (centro Piero della Francesca) – Tel. 011 – 670 6711

Progetto ERASMUS

<http://di.unito.it/erasmusin> (In italian <http://di.unito.it/Erasmus>)

Incoming students

Information concerning the forms to be filled, deadlines, accomodation, registration and italian language courses can be found on the International Mobility portal of the University of Turin, in particular on the **Instructions for incoming students** (<http://di.unito.it/erasmusin>) web page.

Courses activated

The educational period starts from late September and ends in June and it is organized in two semesters:

- First: from the end of September to January
- Second: from the beginning of March to June

A description (in english) of the set of courses offered by the department of Computer Science (e.g., course code and title, the professor(s) responsible of the course, the program, the number of credits) can be found on each web page course (<http://di.unito.it/listainsegnamenti>)

The set of courses activated each Academic year may be subject to variation, so we suggest the students to have a look at all the information on the web site of the department to fill their Learning Agreement with the courses available in the academic year of reference. We remind that 1 CFU corresponds to 1 ECTS and to 10 hours of lessons in classroom.

Erasmus Forum

An Erasmus Forum has been activated on the e-teach Moodle (<http://teaching.i-learn.unito.it/>) platform (section "Altri Corsi") that is addressed to both incoming and outgoing Erasmus students. Incoming Erasmus students are invited to register to the Forum (to get in touch with the other Erasmus students, to get practical information from the Erasmus students of the previous years, etc.). You can use login and password obtained from International Mobility office of the University of Torino and Infopoint:

http://www.unito.it/unitoWAR/page/istituzionale/servizi_studenti2/infopoint21

Infopoint:

Palazzo degli Stemmai
Via Po 29 - 10124 Torino
timetable: from Monday to Friday 9 – 19
Tel. 011.670.3020/3021 - Fax 011 2361048
public buses: 13-15-18-55-56-68-61
E-mail: infopoint@unito.it
Skype contact: infopoint.unito

It is important to ask also login and password for our local web site (to use laboratory, to have a department mail-box ect.). You can ask to the Login office (timetable: <http://di.unito.it/login>) bringing with you Erasmus documents (Learning agreement, smart card/Torino University booklet -"libretto"- obtained from Infopoint or International Mobility office)

Exam registration

You have to enrol on the University web site (<http://www.unito.it/>, <http://my.unito.it/>) in order to book examination on-line (<http://di.unito.it/appelli>): the mark of the passed examination will be on-line registered by the professor of the course.
